Children's Church
at Concordia Church

Have fun and grow in faith… together!

Check out these classes for your children:

Ages 0-3

Parents sign up to receive an e-Newsletter each month. Each e-mail contains articles, early faith formation tips, fun activities and ideas to do at church and at home.

Preschool through 2nd grade

Animated characters re-enact Bible stories in a fun and accessible way. Lessons encourage exploration of faith and the Bible through discussion and age-appropriate activities.

3rd through 5th grade

Animated videos and lessons are geared more for concrete thinkers of this age. Each week, kids and teachers start their time together by watching a short video that helps them to participate in discussions and activities around connecting faith and daily life.

6th grade and up

Youth are engaged in community building and work together on service projects that are focused around providing opportunities for faith development. Leadership development is facilitated by supporting a mentor relationship between older and younger youth.
