Concordia Place

Concordia Place's mission is to disrupt social inequities through access to top-quality education, enrichment, and hands-on experiences that includes all children, teens, and families—together.

Early Learning and Preschool (Ages 6 weeks to 5 years): Our program allows children to progress at their own pace and promote confidence in their ability to explore the world around them. Structured and meaningful activities help children comprehensively develop social, emotional and physical skills for academic and social successes in kindergarten and beyond.

School- Age 365 (Ages 6-12 years): This program serves children who can continue their love of learning in a warm and nurturing environment after school and in summer. Children participate in STEAM activities, art, music, games, cooking, drama and sports. The children also learn socialization, problem-solving and communication skills.

Teen Leadership (Ages 13-18 years): Our Teen Leadership programs support teens as they build a wide range of leadership, social, emotional and entrepreneurial skills. The goals for the programs are for teens to develop and demonstrate leadership skills and abilities, stay in school and pursue post-secondary education opportunities, become fully engaged in and committed to the program, and improve neighborhoods through community and service - learning projects.

Home Visiting: This program promotes positive child and maternal health and wellness outcomes and supports child development and school readiness, with strategies to prevent child abuse and maltreatment, improve family functioning and self-sufficiency, and encourage positive parent-child interactions.

How Can You Get Involved?

Concordia Place believes that volunteers can be vital to the success of our mission. There are several ways to get involved:

- **Volunteer Locally:** Offer time and skills at events, in classrooms, or through specialized professional services.
- **Financial Support**: Make donations, participate in fundraising, utilize workplace matching gift programs.
- **Raise Awareness:** Share social media posts with personal networks and community connections.

- **Attend Events:** Participate in the Golf Event on June 9th and other events throughout the year.
- **Community Drives:** Organize collection efforts for specific needs like clothing, books, or supplies.

- **Corporate Partnerships:** Explore workplace initiatives for sponsorship and employee volunteer programs.
