Education

Adult Study

Adult Study meets at 9 AM in the church office Sunday mornings and includes an option to join by Zoom. Study topics are selected by group with suggestions by the pastor. We have taken a deeper dive into questions of faith, Christian teachings and Bible studies. A couple of our most recent discussions have included C. S. Lewis on "What Christians Believe" and "Eternal Life?" by the theologian Hans Kung. Our Lenten study is a book discussion of "The Lord and His Prayer" by W. T. Wright exploring prayer and what Jesus teaches us about God and prayer in the Lord's prayer.

Insights are gained in the dialogue of differing understandings of the readings assigned, perspectives on faith and the challenge to practice what we believe. The Study group is a good reminder that there is so much more to our Christian faith then we learned in Sunday School. We want to open up more study group opportunities at times and days other than Sunday so that more people can participate.

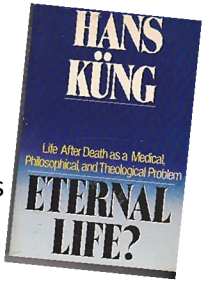

Sunday School

Sunday school is a place where God's love is shared, heard and demonstrated through stories, crafts, interactive and imaginative play. Bible stories are shared during worship with our Pastor led children's sermon followed by group activities and Bible lessons led by Sunday school teachers. Children are encouraged to ask questions, share ideas and engage in activities that further develop their understanding of the Bible and to help them understand their own identity in Christ.
